WORK EXPERIENCE

Bank of America Merrill Lynch, Central, Hong Kong

June - August 2012

Summer Analyst, Global Investment Banking Department - Corporate Finance Team

• For a Chinese mining company's US\$300+ million M&A deal:

- Performed valuation analysis and finalized a pitch book with 100+ pages which helped the team to secure the mandate
- Attended conference calls with clients to help prepare preliminary transaction time table and due diligence list
- Coordinated with M&A/DCM team to determine transaction structure as well as prepare term sheet based on credit analysis

• Finalized a pitch book for an engineering company's US\$500+ million IPO proposal which supported the deal team to win a verbal mandate; created and compiled 5+ M&A opportunities books containing 100+ company profiles for client meetings

• Conducted stress benchmark analysis for 20+ coal companies to test their future financial/credit ratios based on different coal price estimates and debt repayment schedules

• Coordinated between Corporate Finance and DCM to facilitate a Chinese utility company's US\$190 million bonds issuance

BNP Paribas Capital, Central, Hong Kong

July - August 2011

Summer Analyst, Corporate Finance Department - Energy, Metals & Mining Team

• For a Chinese energy company's US\$500+ million M&A deal:

- Updated transaction comparables for 30+ energy companies worldwide and helped perform valuation analysis
- Collected and consolidated research data on energy prices forecast as input in the DCF analysis

• Co-wrote and finalized pitch books on a Mongolian energy company's IPO proposal, a Chinese energy company's partial acquisition of overseas assets, and Chinese investors' takeovers of mining corporations

• Monitored potential block trading opportunities using Excel tables with Bloomberg links containing 80+ companies

HSBC Bank, Shanghai, China

June - July 2010

Summer Analyst, Global Banking Department

• Investigated retail and consumer sectors to help prepare a 30-page credit rating report to determine loan rate

• Coordinated between 10+ clients and team heads to ensure all transactions complied with legal requirements

• Prepared six reports on cross sell ratios, fund utility rates, and internal team performance evaluations

ACTIVITIES

Behavioral Economics & Finance Organization, Ithaca, NY

Executive Board Member, Chief Analyst

• Delivered lecture series focusing on fundamental analysis of stocks from different sectors for 25+ club members

• Performed valuations using both DCF and trading comparables after conducting research on companies' SEC filings

Electrical and Computer Engineering Honor Society (HKN), Ithaca, NY

Executive Board Member, Treasurer

• Managed bank accounts and prepared quarterly financial statements for the society with 30+ members

• Helped organize 10+ tutoring sections that assisted undergraduate students in understanding course materials

Cornell Into the Streets Volunteer Service, Ithaca, NY

• Acted as volunteer to help organize and coordinate run for charity event with 50+ participants
